

history_completion
_generator

```
graph LR; A[history_completion_generator] --> B[build_history_completion_array]
```

A flow diagram consisting of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'history_completion_generator'. The right box is white and contains the text 'build_history_completion_array'. A dark blue arrow points from the right side of the left box to the left side of the right box.
