

set_shell_name

```
graph LR; A[set_shell_name] --> B[base_pathname]; B --> C[absolute_pathname];
```

A flowchart with three rectangular boxes arranged horizontally. The first box on the left is shaded gray and contains the text 'set_shell_name'. A dark blue arrow points from the right side of this box to the left side of the second box. The second box is white with a black border and contains the text 'base_pathname'. Another dark blue arrow points from the right side of the second box to the left side of the third box. The third box is white with a black border and contains the text 'absolute_pathname'.

base_pathname

absolute_pathname
